1 Be it enacted by the Legislature of the State of Arizona:

2 Section 1. Section 11-292, Arizona Revised Statutes, is amended to  
3 read:

4 11-292. Medical care: definition

5 A. The board of supervisors, subject to the applicable provisions of  
6 title 42, chapter 17, articles 2 and 3, shall include in its annual budget an  
7 amount equal to fifty per cent of the amount budgeted by the county board of  
8 supervisors or the amount expended, whichever is less, for the  
9 hospitalization and medical care of the indigent sick pursuant to this  
10 article for fiscal year 1980-1981, except for Yuma and La Paz counties. The  
11 contribution amounts of those counties shall be equal to the amount Yuma  
12 county would have made pursuant to this subsection if a division had not  
13 occurred apportioned between the counties. The office of the auditor general  
14 shall determine the amount Yuma county would otherwise have included if a  
15 division had not occurred and shall then determine the contribution amounts  
16 of Yuma and La Paz counties based on the proportionate share of the estimated  
17 population in these counties as of July 1, 1982.

18 B. For fiscal year 1994-1995, and for each fiscal year thereafter, the  
19 state treasurer shall withhold an amount sufficient to meet the county  
20 portion of the nonfederal costs of providing long-term care system services,  
21 pursuant to title 36, chapter 29, article 2, excluding services to the  
22 developmentally disabled, from monies otherwise payable to the county under  
23 section 42-5029, subsection D, paragraph 2. This amount and the state  
24 portion of the nonfederal costs shall be specified in the annual  
25 appropriation for the maintenance and operation of the Arizona health care  
26 cost containment system. For fiscal years 1994-1995, 1995-1996 and  
27 1996-1997, monies shall be withheld from each county based on the following  
28 percentages derived from a state auditor general's certified audit of fiscal  
29 year 1987-1988 county long-term care and home health care expenditures,  
30 except that amounts withheld shall be adjusted to reflect amounts paid by  
31 counties pursuant to section 36-2952:

3 C. In each fiscal year, of the total amount that is specified in the  
 4 annual appropriation as the nonfederal portion of the cost of providing  
 5 long-term care services, excluding services to the developmentally disabled,  
 6 and that represents an increase from the amount that was specified in the  
 7 annual appropriation for the prior fiscal year, the state shall pay fifty per  
 8 cent of the increase. The remaining nonfederal portion of the costs shall be  
 9 apportioned among the counties according to the proportion that each county's  
 10 net nonfederal expenditures for long-term care services, excluding services  
 11 to the developmentally disabled, bears to the total nonfederal expenditure  
 12 for all counties two fiscal years earlier, with the following adjustments in  
 13 the following order:

14 1. If the resulting net county contribution when expressed as an  
 15 imputed property tax rate per one hundred dollars of net assessed value  
 16 exceeds ninety cents, the county's contribution shall be reduced so that the  
 17 imputed property tax rate equals ninety cents and the difference shall be  
 18 paid by the state.

19 2. Any county with a native American population that represents at  
 20 least twenty per cent of the county's total population according to the most  
 21 recent United States decennial census shall contribute an amount equal to the  
 22 prior fiscal year's contribution plus fifty per cent of the difference  
 23 between the prior year's contribution were it calculated using the percentage  
 24 in subsection B of this section and the current year's contribution as if its  
 25 share of the total nonfederal portion of the long-term care costs had been  
 26 calculated using the percentage prescribed in subsection B of this section  
 27 and the state shall pay any difference from the amount otherwise required by  
 28 this subsection.

29 3. If, after making the adjustments in this subsection, a county would  
 30 contribute more than if its contribution were calculated using the percentage  
 31 prescribed in subsection B of this section multiplied by the total nonfederal  
 32 costs of long-term care services, excluding services to the developmentally  
 33 disabled, the county's contribution shall be reduced to the sum of its prior  
 34 year's contribution plus fifty per cent of the difference between the prior  
 35 year's contribution were it calculated using the percentage in subsection B  
 36 of this section and the current year's contribution as if its share of the  
 37 total nonfederal portion of long-term care costs had been calculated using  
 38 the percentage prescribed in subsection B of this section and the state shall  
 39 pay any difference from the amount otherwise required by this subsection.

40 D. The director of the Arizona health care cost containment system  
 41 administration shall notify each county of the amount determined pursuant to  
 42 subsection A of this section to be included in its annual budget no later  
 43 than May 1 of each year.

44 E. If a county does not provide funding as specified in subsection A  
 45 of this section, the state treasurer shall subtract the amount owed to the

1 Arizona health care cost containment system fund by the county from any  
2 payments required to be made by the state treasurer to that county pursuant  
3 to section 42-5029, subsection D, paragraph 2, plus interest on that amount  
4 pursuant to section 44-1201 retroactive to the first day the funding was due.  
5 If the monies the state treasurer withholds are insufficient to meet that  
6 county's funding requirement as specified in subsection A of this section,  
7 the state treasurer shall withhold from any other monies payable to that  
8 county from whatever state funding source is available an amount necessary to  
9 fulfill that county's requirement. The state treasurer shall not withhold  
10 distributions from the highway user revenue fund pursuant to title 28,  
11 chapter 18, article 2.

12 F. Each month payment of an amount equal to one-twelfth of the total  
13 amount determined pursuant to subsection A of this section shall be made to  
14 the state treasurer. Beginning October 1, 1989, payment of this amount shall  
15 be made to the state treasurer on or before the fifth day of each month.  
16 Upon request from the director of the Arizona health care cost containment  
17 system administration, the state treasurer shall require that up to three  
18 months' payments be made in advance, if necessary.

19 G. The state treasurer shall deposit the amounts paid pursuant to  
20 subsection F of this section and amounts withheld pursuant to subsection E of  
21 this section in the Arizona health care cost containment system fund  
22 established pursuant to section 36-2913.

23 H. If payments made pursuant to subsection F of this section exceed  
24 the amount required to meet the costs incurred by the Arizona health care  
25 cost containment system for the hospitalization and medical care of a person  
26 who is defined as an eligible person pursuant to section 36-2901, paragraph  
27 6, subdivision (a), the director of the Arizona health care cost containment  
28 system administration may instruct the state treasurer either to reduce  
29 remaining payments to be paid pursuant to this section by a specified amount  
30 or to provide to the counties specified amounts from the Arizona health care  
31 cost containment system fund.

32 I. The amount of the county contribution to the Arizona health care  
33 cost containment system fund established in section 36-2913 shall not exceed  
34 thirty-three per cent of the amount that the system administration expended  
35 in the county for fiscal year 1983-1984. For the purposes of this  
36 subsection, system administration expenditures in a county for fiscal year  
37 1983-1984 are the total capitation and fee for service amounts paid by the  
38 system administration to providers in a county before February 1, 1986 for  
39 services rendered during fiscal year 1983-1984 to persons eligible for the  
40 system.

45 counties and contributed by the state pursuant to subsection B of this

1 section in the long-term care system fund established by section 36-2913, in  
2 twelve equal monthly installments. The monthly installments shall be  
3 deposited in the fund by the state treasurer by the fourth working day of  
4 each month.

6 appropriation for the maintenance and operation of the Arizona health care  
7 cost containment system, whichever is later, and after consulting with the  
8 joint legislative budget committee and the governor's office of strategic  
9 planning and budgeting, the state treasurer shall notify each county of the  
10 amount to be withheld pursuant to subsection B of this section.

11 M. If the monies deposited in the long-term care system fund pursuant  
12 to subsection K of this section are insufficient to meet the funding  
13 requirement as specified in the annual appropriation for the maintenance and  
14 operation of the Arizona health care cost containment system pursuant to  
15 subsection B of this section, the state treasurer shall withhold from any  
16 other monies payable to that county from any available state funding source,  
17 other than the highway user revenue fund, the amount required to fulfill  
18 fifty per cent of the funding requirement and shall deposit the monies in the  
19 long-term care system fund. The state shall pay the remaining fifty per cent  
20 of the funding requirement.

21 N. If any monies in the funds for the purpose of title 36, chapter 29,  
22 article 2 remain unexpended at the end of the fiscal year, the director of  
23 the Arizona health care cost containment system administration shall specify  
24 to the state treasurer the amount to be withdrawn from the long-term care  
25 system fund. Of the amount specified, the state treasurer shall distribute  
26 fifty per cent to the counties pursuant to subsection B or C of this section.

34 2005-2006 and in each fiscal year thereafter, the state treasurer shall  
35 withhold a total of two million three hundred ninety-five thousand four

37 implementing sections 36-2901.01 and 36-2901.04 beginning with the second  
38 monthly distribution of transaction privilege tax revenues otherwise  
39 distributable after subtracting any amounts withheld for the county long-term  
40 care contribution. Beginning in fiscal year 2006-2007, the state treasurer  
41 shall adjust the amount withheld according to the annual changes in the GDP
